

# Give Us Your Insight to Help Implement a New Elective at RHS

Please have your child/children (who attend RHS) take a quick, ten-question survey, regarding possible future elective courses.

You can help be part of the possible implication of a new elective at Ridge!

Have your child/children submit their anonymous surveys through Moodle:

1. Log in to Moodle using his/her username and password
2. Under "Course Categories," click on the High School Social Studies link
3. Click on the "Elective Survey" link
4. Take our survey

-This survey will be used as research data for an 11<sup>th</sup> grade Honors Government and Economics "Project Citizen" project-

Thank you!
