

Dear parents of 3rd grade string students,

This is just a note to update you on some important events happening in 3rd grade strings. All Cedar Hill 3rd grade string players will be performing in an assembly program on **Friday, January 27, 2012 at 9:30am**. All parents of 3rd grade string players are welcome to attend this assembly!

In order to prepare for this performance, we will be having 3 rehearsals where all 3rd grade string students will practice together. Please make sure that your child has their instrument and book in school on the following days:

Tuesday, January 10, 2012

Tuesday, January 17, 2012

Thursday, January 26, 2012

Please note that there is no evening concert for 3rd grade strings in January.

I am greatly enjoying working with the 3rd graders as they share their excitement and enthusiasm for music! We look forward to sharing our progress with you!

Very Truly Yours,
Rebecca Karle
