

What do you do with your old cell phones, digital cameras, and printer cartridges?

The U.S. produced 3.01 million tons of electronic related garbage in 2007, and only 13.65% was recycled.*

Oak Street School is participating with  in our efforts to recycle e-waste.

Here is what you can do!

Please help us by sending in the following items:

Inkjet cartridges

Laptops

Laser cartridges

Digital Cameras

Cell phones

GPS Devices

iPods

Collection bins are located outside the Henry Street entrance and outside Mrs. Long's (Oak Street entrance) room #25. Collection begins November 29th!

Together, we can change the world one step at a time!
