

## MyNutrikids Low Balance Notifications

Low Balance Notifications are sent via email and are automatically generated once established through MyNutrikids.com accounts.

To set up a Low Balance Notification:

- Select the 'MyProfile' section on the homepage, once you have logged on at MyNutrikids.com.
- Select the LOW BALANCE ALERTS option, and follow the prompts.
- Ensure that the Alert is selected to be 'ON' and enter the amount for the low balance threshold desired.
- Confirm the Low Balance Notification set up.

Experiencing problems?

Ensure that emails from the MyNutrikids website are not blocked or marked as spam/junk.

Select the 'Contact Us' option at the bottom of the MyNutrikids.com screen for further support directly from MyNutrikids.
