GRAB YOUR GOGGLES

It's time to start thinking about an experiment and register for the Science Expo. Anyone can sign up for this exciting event (Kindergarten-5th grade). The children can work alone or in a group. Information and registration forms can be found in this week's OSS Friday Folder (Feb. 10th). The experiment display information, registration form and OSS library science books are also available on the school website under "Important Links." (Questions? Email: Jennifer @ mjtsdavi@optonline.net or Concetta @ conchetta@jeffandconchetta.com).

IT'S BOX TOPS TIME AGAIN

Hopefully, you've been saving your **Pink Box Tops** since the conclusion of the fall contest! Now is the time to start turning them in! Our Spring **Box Tops** contest starts next week and will continue until May. Our fall contest earned the school over \$1100!! Everyone did a great job!!

For every coupon you send to the school, the PTO will receive 10 cents back! It's the easiest fundraiser! All you do is clip the coupons and send them to school with your child in a baggie labeled with their grade and teacher's name. You can have neighbors, relatives and friends clip **Box Tops** to help our school too! Look for more contest updates as we move through the spring. Thanks to all of you that have already sent some in --- they will count in our contest! **Box Tops** Chairperson -- Barbara Ring
