

Dear Parents:

As many of you are aware, the district sent out a special Friday Folder announcement last week about the new technology policy and the Acceptable Use Practice form. All parents and students are required to go online and sign the Acceptable Use Practice form. This must be completed in order for your child to continue to use all types of technology at the middle school. Please go to the district website and click on the Acceptable Use link to complete this task.

In this week's Friday Folder, you will find the following information:

- WAMS Play ticket – Lunch time sales
- WAMS Ink Announcement

**Also, please note...**

Central Jersey Junior Basketball League Championship game  
Tuesday, Feb. 14th 5:30pm  
Franklin High School – WAMS vs JP Case of Flemington

Have a great weekend.

Karen A. Hudock  
Principal
