

# Liberty Corner's First Ever Cultural Arts Night!

Wednesday, February 15<sup>th</sup>, at 6pm

## **What is Cultural Arts Night?**

This is a new event that will combine music, art, and dance. In the past the 5<sup>th</sup> grade has done a dance performance through their PE unit. This year we will be adding the other arts to this already wonderful event. It will start at 6pm with food and drink in the cafeteria with 5<sup>th</sup> grade artwork displayed, and 4<sup>th</sup> grade musical performances.

## **What can we perform?**

All 4<sup>th</sup> grade students are welcome to prepare a song and audition to be featured. The songs can be Broadway, jazz, pop, etc. If you take private piano or guitar lessons, you could do a song you are currently learning.

## **How do I prepare?**

Should you be interested in auditioning as a vocalist please prepare your piece and bring in a piano accompaniment that Mrs. Beadle can play. You are welcome to sing a solo or in small groups. If you take piano or guitar lessons, work with your private teacher to prepare.

## **How will it be decided who is chosen?**

Unfortunately there are too many 4<sup>th</sup> grade students to feature everyone. Therefore we will be holding auditions to pick students. Like the chorus solo auditions, students will perform in front of Mrs. Beadle and a few other adults. Auditions will be held the week of January 23<sup>rd</sup>.

## **What will the performance be like?**

We hope to make a small area of the cafeteria into a place to perform. There will not be much space but there will be a keyboard and possibly a microphone. We hope to make the cafeteria feel like the opening of an art show at a coffee shop with an open mic night.

## **Is this required?**

No! This is just for students who are interested in doing something extra. You are welcome to come and enjoy the art, music, dance, and food without being a participant!
