To the parents of our Special Education children:

The PEC group, (Parents for Exceptional Children) <http://www.bernardspec.com> are working in conjunction with the Bernards Township Office of Special Services to create a fact sheet for streamlining the bus procedures for the transportation of your children, as requested by parents. Currently we would like to put in place the ability for the bus driver of each route to have an informational sheet that would be specific to their bus route with your child's name, a picture and emergency contact information. In order for the PEC group to put this together for your children, we will need all parents to sign the attached consent form so that we can take photos of each of your children and have them on a confidential sheet for each bus driver to have in their possession. If you would like to participate – please complete the form below and mail to Office of Special Services attn. PEC Group 102 Peachtree Road, Basking Ridge NJ 07920

We/I, _____ grant permission to take and utilize a picture of our child, _____ for the sole purpose of the above mentioned fact sheet for The PEC Group and Bernards Township Office of Special Services to utilize for the transportation department.
