

January 2012

Dear LCS Families,

The “Timeless Tiles” fundraiser is back! You may have noticed the beautiful student-designed tiles that brighten up the walls by the doors to the main office entrance of the building. If you would like to be a part of this lasting memory, it is once again time to leave your mark on LCS!

Students are invited to share what LCS means to them by designing a one-of-a-kind illustration that will be placed on a tile and mounted on the walls of LCS forever. These illustrations should be created on the 4x6 template that is provided on the following page. Students may use crayons, markers, paint, or colored pencils to make their illustration. Once all illustrations are submitted, the Scholarship Committee will begin the process of turning them into personalized tiles. At the end of the year, your tile will be added to the walls of LCS for students and families to look back on and enjoy for years to come.

The cost of each tile will be \$20. This price will cover the cost of the tile, shipping and handling, and mounting the tile on the wall. All proceeds from the fundraiser will benefit the Margaret Dooley French Scholarship Fund (formerly the LCS Centennial Service Award). This scholarship is awarded annually to two Ridge High School seniors who have graduated from Liberty Corner School and exhibit outstanding character in their contributions to the community.

All completed illustrations must be returned in an envelope, along with a check made payable to “Liberty Corner School” **no later than Friday, February 16, 2012**. Please address envelopes to: “Timeless Tiles—attention Miss Kalfus” and make sure to include the student’s name on it.

We hope that all students will take advantage of this new and exciting fundraiser. Don’t miss your chance to leave your mark on LCS!

Thank You,
The LCS Scholarship Committee
