

New RHS Community Service Award!

Teams will develop creative service projects based around the 2012 theme. The project should be student run and exhibit ACTIVE community service.

Projects should benefit communities in need. Distance is not limited but personal connections will be considered in judging process.

The winning project will receive \$2400! 75% of this will go to the project recipient, 25% will go back to the winning group.

Possible teams include: school clubs or sports teams, or independent groups of at least 3 students. An adult supervisor is required per team.

Idea applications will be accepted until 2-27-12. The project's impact will be examined from Feb — May. Winners will be announced at Senior Awards Night.

Visit the Ridge High School Community Service Website for necessary forms and full details!
