Your child's kindergarten registration will not be processed unless all paperwork is complete. It is not necessary to call the District Registrar for an individual appointment time for kindergarten registrations.

In addition, if your child is not scheduled for his/her annual physical examination until after February 2, 2012, please ask your physician to fill out the medical form for your child's last exam and then you will be responsible for submitting an updated medical form before the beginning of the new school year. A physical examination form must be provided at the time of registration.
