Platform Tennis is an American racquet sport enjoyed by thousands of people of all ages. It is the only racquet sport that players can enjoy outdoors in cold weather. This unique appeal attracts people who desire fresh air, competition, and social engagement - all on a chilly winter's night. Players will learn how to hit forehand and backhand drives as well as how to play the ball using the screens. Match play strategy will be covered throughout the clinic as well. All courts have lighting, so this sport can be enjoyed throughout the winter.

**Cost:** \$110 per resident, per session. Proof of residency required.

Refunds, less a \$10 administrative fee per registrant, will only be processed if requested before the session's start date.

There will be no refunds given after the session begins.
