

Dear Families, Students, and Teachers,

Once again, The Ridge Productions Club is putting together a fantastic desk calendar! Please support the club and the photography department by purchasing a 2012 calendar! This calendar fits well on all desks. The calendar contains twelve carefully chosen, student images. We hope you purchase and enjoy the wonderful images in the 2012 calendar!

Each calendar is **\$6.00**. Please return this form with the calendar money in an envelope no later than **Tuesday, November 22** to the photography room, room **615**. When the calendars arrive, an announcement will be made to pick them up.

Thank you,  
Ridge Productions
