

Gifts of Kindness 2011

The Gifts of Kindness program returns to WAMS this year! Over the last ten years, we have had a tremendous response to this most benevolent of collections. For those of you unfamiliar, each year (with the exception of 2010) the Peer Helper program, in conjunction with an enormous amount of support and involvement from the P.T.O., organize this opportunity for the William Annin community to help reach out to those children less fortunate during the holiday season by fulfilling holiday wishes of new clothes and toys. The outpouring of support has been second to none for this program. Each "Gift of Kindness" should include only the following: one complete outfit (meaning a pair of pants AND a shirt) as well as an age appropriate toy. Taking a tag and committing to bringing in a gift is a *big responsibility*, one which we encourage students to get parental permission for before the commitment is made. If you are interested and able to purchase these brand new items for a special boy or girl in the Somerset County area, please make note of the following dates and speak with your child about picking up a gift tag during his/her lunch period. With your help, we look forward to making this year's resurrection of the Gift of Kindness collection the most successful yet!

Gift Tag Distribution in Lunches: November 14-22

Gift Collection: Monday, November 28- Monday, December 5th

Thank you in advance,
