

YOUR HELP IS NEEDED FOR SENSITIVITY TRAINING WORKSHOPS FOR 3RD GRADERS

The PEC (Parents for Exceptional Children) is sponsoring the Sensitivity Training for all 3rd grade classes in our district again this year. The training focuses on how to be a friend with someone who looks or learns differently than you - and will be led by Melinda Jennis, from Montville Pathways. During the workshop, there are stations where the children "experience" a disability - including physical disabilities, dyslexia, and vision and fine motor skill deficiencies. We are looking for parent volunteers to help direct the children at these workshop stations. Please email Monique McHenry (moniquealb@aol.com) if you are interested in helping and when you would like to help out. The workshop dates for Mount Prospect School are October 24,25,26 and 27th. The times and classroom assignments are listed below. It is guaranteed to be a rewarding experience. If you have questions regarding the training, contact Monique McHenry.
