

Hello Parents!

Please help us in celebrating the cultural diversity of our school by volunteering at Mount Prospect's first ever, **International Day!** On **March 16, 2012**, our students will be watching presentations and engaging in activities around the many different countries that represent the ethnic heritage of our school's population. **We need parent volunteers to give these presentations and lead these activities!** The students and their teachers will be learners and participants that day- we need you to be the educators on International Day! This is a valuable opportunity to share about your cultural heritage with the school community. We encourage you to come spend the day with us making International Day a community-building event that our children will remember for years to come.

If you are interested in being a presenter on International Day, please complete the questionnaire below. Please remit your responses by 10/24/11 via your child's backpack in an envelope labeled "International Day Volunteer Form," or via email to hmwoo@msn.com or akuppal@hotmail.com. We will then contact you in a few weeks with further details.

Sincerely,

Riham Elkashif, Achint Kaur, Helen Woo and Denise Zangara
International Day Committee Chairs

Name, email and telephone #:

Child's name, grade and teacher:

Country you wish to represent:

Please provide a brief description of what you would like to present (ex. a dance, sport or musical demonstration, a holiday presentation...):

Please describe a possible short activity for the children that may be part of your country's presentation:

Are you willing to produce a display for the country you'd like to represent? (We encourage you to recruit friends and work as a team.) _____
