# PARENT ACADEMY

---

*There is a subtle spirit that exists in a school, both in the minds of the teachers and students and in every act, which may never be exactly described or analyzed, but which even the most inexperienced observer recognizes when he enters a school or classroom.”*

In the spirit of the above quote by L.J. Chamberlin, we are reintroducing our “Parent Academy” to foster a stronger connection with our families. We invite you to join us for this informative parent workshop, which is intended to help you work more effectively with your children.
