

Girl Scouts... Discover the Fun, Friendship, and Power of Girls Together!

In Girl Scouting, girls get to do things just for the fun of it... find new interests or pursue familiar ones without the fear of failure. Girl Scouting will provide your daughter with a safe, secure setting where, under the guidance of caring, dependable adults, she can:

- Achieve her individual potential by discovering and building her talents and interests.
- Develop values to guide her actions and provide the foundation for sound decision making.
- Provide service to others through a variety of activities.
- Build relationships with others in her neighborhood, school, community, and beyond.
