

Pizza Night Rescheduled for Friday, September 30th

Due to the inclement weather forecasted for this Friday, Pizza Night has been rescheduled for next Friday, September 30th from 5:00 - 7:00 PM. Please join us for the first big family event of the year sponsored by the Liberty Corner School PTO. Pizza Night has become a traditional way to kick off the new school year. Families gather on the LCS playground for fun, food and friendship. It is a great night and a favorite of the students. In addition, representatives from Pack 54 will be on hand to register boys in grades 1-5 for Cub Scouts and answer any questions you may have.

Since the event date has been changed, the deadline for turning in pizza orders has been extended to Wednesday, September 28th. The order form is attached to this email and checks are payable to "LCS PTO".

Volunteers are still needed to work half-hour shifts as cashiers, pizza/drink/snack servers, hall monitors and pizza runners. Set up (3:15 pm) and clean up (7:00 pm) volunteers are needed as well. If you have older children at WAMS or Ridge that would like to help, list them as well. Service hours can be earned! If you have any questions or wish to volunteer, please fill out the attached form or contact
