## 2012 AP Exam Administration Information

---

### Subjects Offered:

Beginning in May 2012, Ridge High School will not administer Advanced Placement exams for subjects not taught in the district. This is due to insufficient testing facilities and a continual shortage of proctors. Additionally, students who are not residents of Bernards Township will not be permitted to test at Ridge High School.

We anticipate being able to offer the following exams in May (subject to revision at any time):

AP Biology	AP Macroeconomics
AP Calculus AB	AP Physics B
AP Calculus BC	AP Physics C: Electricity and Magnetism
AP Chemistry	AP Physics C: Mechanics
AP English Language and Composition	AP Psychology
AP English Literature and Composition	AP Spanish Language
AP Environmental Science	AP Statistics
AP European History	AP Studio Art
AP French Language	AP United States Government and Politics
AP Italian Language and Culture	AP United States History
AP Latin: Vergil	

Students who wish to take AP exams in other subject areas may contact College Board's AP Services (877-274-6474) for a list of local high schools that may offer the exams.

---

### Late Testing 2012:

College Board specifies the exact days and times that exams can be offered during regular and late administration periods. In 2012, one of the late testing days is Friday, May 25, 2012. Because there is no school for students in Bernards Township on that date, we are unable to offer *late* AP exams for the following exams:

AP Biology	AP Physics B
AP English Literature and Composition	AP Physics C: Electricity and Magnetism
AP Italian Language and Culture	AP Physics C: Mechanics
AP Latin: Vergil	AP Psychology

We will not be able to accommodate students who are absent the day of the regularly-scheduled test, even with a doctor's note. Students who need to arrange late testing for any of the above exams for any reason may contact College Board's AP Services (877-274-6474) for a list of local high schools that may be willing to accommodate them (fees may apply). Again, only the subjects listed above are affected by the school closure on May 25.
