SCHOOL HEALTH SERVICES

RESPONSIBILITY: The Director of Pupil Personnel Services, the Principal, and the School Nurse in consultation with our School Physician will be responsible for the implementation of the procedures which are designed for the implementation of this policy.

PROCEDURE: The procedure constitutes the "Bernards Township Health Services Manual." This manual covers all health services and is made up of about 100 pages. It is not reproduced here but one may review a current copy in the office of each school nurse.

The official copy of each policy and procedure is held at the Board Offices. You are welcome to read and print a copy, from this site, for your own reference. However, such copies are not official and are not for distribution.
