TRANSPORTATION OF THE DISABLED

RESPONSIBILITY:

The Transportation Coordinator will arrange appropriate transportation for each disabled student as required by his/her individualized education plan.

PROCEDURES:

The case manager of the learning disabled child will complete the attached form and submit it to the Transportation Coordinator as soon as possible after the IEP conference. The Transportation Coordinator will arrange transportation as close as possible to the requested date.

The attached form should also be used by a professional staff member when requesting special transportation arrangements for a student with a temporary or permanent physical disability.
