August 26, 2010

Dear Ridge High School Student/Parent:

This school year, all 10<sup>th</sup> and 11<sup>th</sup> grade students will be offered an opportunity to take the PSAT on Saturday, October 16, 2010.

There are many benefits for students in both grade levels to take this test. By taking the PSAT in 10<sup>th</sup> grade, students will be getting a jump on the college process. The test will allow students an opportunity to assess their critical reading, mathematical reasoning, and writing skills, which they will need to succeed in college. It will also give them practice for taking the SAT. The guidance counselors will discuss test results in December. The juniors will find out if they are eligible to compete for the National Merit Scholarship. Once students zero in on their own strengths and weaknesses, they can work more rigorously in their regular classes to improve their skills before taking the SAT.

All 10<sup>th</sup> and 11<sup>th</sup> grade students who register for this administration of the PSAT should report to their assigned testing room at 7:45 a.m. on October 16, 2010. Your testing room assignment will be given to you prior to this date. Students must bring their own scientific or graphing calculator for the test.

The registration fee for the PSAT is \$25.00. This fee may be paid by cash or a check made payable to Ridge High School Student Activities. Please detach the registration form below and submit it with payment to Mrs. Pavlik in Room 613 no later than Thursday, September 30, 2010. **No registrations will be accepted after September 30<sup>th</sup>.**

Any student who has a question about the administration of the PSAT should see his/her guidance counselor in advance. Good luck!

Sincerely,

Scott Thompson  
Assistant Principal
