Little Hoops Clinic

This is a 7 week co-ed recreational basketball clinic where the basic skills and fundamentals of basketball are taught to participants who will be instructed by coaches from Drills, Skills, and Thrills Basketball LLC. There will be a focus on skill development: Offense, defense, dribbling, and ball handling. Each session will have instruction and scrimmages for the children to learn the rules of the game. This clinic takes place before the Recreation Basketball league therefore it is a great way for the kids interested in participating in the upcoming season to work on their skills before the regular season begins!

Registration is on a space availability basis.
