

A MESSAGE FROM THE SUPERINTENDENT
Nick Markarian

Winter and the inevitable snow and icy roads are approaching. This pamphlet will outline school procedures in weather emergency situations. The schools will be open as scheduled, except in the event that roads are so hazardous that travel would endanger the children and staff.

On very rare occasions, we find it advisable to close schools early. In these instances, it is especially important that parents work out a "game plan" with their children. Please be sure your child knows exactly where to go and what to do if you should find yourself unable to arrive home before your child(ren). Ridge and Annin students are dismissed first so that they can be of assistance in supervising younger siblings. Please understand that while we have instituted an emergency telephone/e-mail notification system, Instant Alert, we cannot guarantee that you will always receive notice of an early dismissal.

Please read instructions carefully and retain this information in a location where it will be readily accessible to assist you in the event of a weather emergency. Special attention should be paid to Delayed Opening instructions to avoid any confusion in the event that you have children in more than one school. The delayed opening start times for Ridge High School and William Annin Middle School have changed for the 2019-20 school year. Ridge High will report to school at 9:35 a.m. and William Annin will report to school at 9:45 a.m. All elementary schools will report at 10:45 a.m. School buses will be on a 2-hour delay.

I hope this information will prove helpful to you through the coming months. We thank Philomena Moeller, Transportation Manager, and the wonderful drivers for their most important contributions. By working together, we can keep the schools open whenever possible and our children safe. There are now 2 ways to receive emergency notifications.

1. INSTANT ALERT – The Instant Alert system is an automated phone notification system. If you have previously signed up, your information will carry forward to this school year. Please go to our website to make any changes to the phone numbers on record, to add additional numbers, or to sign up if you have not already done so.
2. Visit our website at www.bernardsboe.com for information on delays and closings.

DELAYED OPENING

This decision is also made by 5:45 AM when the weather is forecast to clear and the police and road department personnel believe that the roads will be passable. The siren will not sound. We urge you to check www.bernardsboe.com, and/or radio/television announcements as listed on the cover of this flyer. On days when there is a delayed opening, all buses will pick up students approximately 2 hours later for Ridge, Annin, and all elementary schools. **Please note, beginning for the 2019-20 school year, the delayed opening start time for the middle and high schools have changed.**

START OF SCHOOL:

Cedar Hill, Liberty Corner,
Oak Street and Mount Prospect 10:45 AM
(Doors Open 10:15 AM)
William Annin Middle School 9:45 AM
(Doors Open 9:00 AM)
Ridge High School 9:35 AM
(Doors Open 9:00 AM)

There will be no before care.

Lunch will only be served at the high school. Students at all other schools should bring snacks.

CHANGE OF PLANS

If the forecaster was wrong and weather and road conditions do not improve, it may seem wise to cancel school for the day instead of having a delayed opening. In this case, the radio and TV stations will be notified. This decision is made by 7:30 AM.

PEACH/PALS SCHEDULE

Delayed Opening:

AM program will be canceled for the day.

PM students will be picked up at the usual time.

OUT-OF-DISTRICT STUDENTS

When the roads are determined to be safe, Out-Of-District students will be transported to their respective schools.

VO-TECH SCHEDULE

Full-time students will go to Somerville approximately 1½ hours later than usual.

EARLY DISMISSAL

We will dismiss students early only in extreme situations. In the rare instance of an early dismissal, the decision is made at 10:30 AM. **Creating a Family Emergency Plan is critical.** Please be sure that your children fully understand what to do and where to go for refuge if they should arrive home and find you not there. This is important—not only for their well being, but also for your own peace of mind as we cannot guarantee that you will receive notification of the early dismissal.

DISMISSAL

Schools will be dismissed on the following early schedule:

Ridge High School and
William Annin 11:45AM

Cedar Hill, Oak Street,
Liberty Corner, Mount
Prospect 12:45 PM

There will be no after care.

Lunch will not be served on these days.

PEACH/PALS SCHEDULE

Early dismissal:

AM students will leave school at 11:45 AM.

PM program will be canceled for the day.

OUT-OF-DISTRICT STUDENTS

Schools will release these students on an individual basis. Parents should contact these schools for their early dismissal procedures.

VO-TECH SCHEDULE

Full-time students will be taken directly home when dismissed by the vocational school.

Shared-time students will not go to Somerville.

Session C students will be taken directly home when dismissed by the vocational school.
