July 2017

Dear Bernards Township School Community,

It is with great pride and enthusiasm that I assume the role as the next Principal of Ridge High School. I embrace the opportunity to continue the tradition of excellence that has made Ridge High School not only one of the foremost high schools in the State of New Jersey, but also in the nation.

My passion for education and supporting the success of all students has been shaped over the last eighteen years as a math and social studies teacher, a mathematics and guidance supervisor, assistant principal, district test coordinator, and principal. In each of these roles, I have endeavored to support students and staff in the delivery of the best instructional and extracurricular programs possible. It is indeed a priority to ensure that all students receive the most comprehensive and meaningful education that we can provide.

The programs at Ridge High School are some of the finest in the nation, due in no small part to the exceptional faculty and support staff here. To that end, Ridge students achieve at an impressive rate, and therefore there is no shortage of awards and accolades that have been garnered here at Ridge. All of these successes are a result of working collaboratively with all stakeholders, as we continue to create an exemplary learning environment that focuses on academic rigor, the acquisition of 21st Century skills, and student achievement. Together, we will continue to deliver the best education possible to the students and families of Bernards Township.

I look forward to meeting all of you as the year commences. I will be in touch again during the latter part of August in anticipation of a rewarding and productive 2017-2018 school year. In the meantime, I hope everyone has a relaxing and enjoyable summer.

Lastly, Go Red Devils!

Sincerely,

Drew D. Krause  
Principal
