

A friendly reminder to CHECK YOUR FINAL GRADES!

Deadline: July 6, 2018 at 11:59 pm

MAINTAINING HONORS CRITERIA

If you selected a course that your final grade no longer qualifies you for, you will automatically be dropped into the lower level. You will not receive a notification, so please check your final grades and compare them to the prerequisites for the course.

LATE QUALIFICATION

Fill out this form if...

- You were not eligible for the Honors/AP course at the time of scheduling, but your final grade now qualifies you and you want to take the higher level course.
- You were eligible for honors/AP all along, but did not select the course at the time of scheduling for whatever reason.

Subject to grade verification, students who meet the criteria and submit the Late Qualification form by July 6th will be *guaranteed* a spot in the honors/AP course for which they now qualify. Students who meet the criteria for an honors/AP course but do not file the Late Qualification Form by the July 6th deadline are not guaranteed a spot in the class.

HONORS/AP APPEALS

Fill out this form if...

- You missed the eligibility grade requirement for an honors/AP course due to *extenuating circumstances*.

No honors/AP appeals will be considered after the July 6th deadline. Students will be notified whether or not their appeal has been granted by the end of July.

Late Qualification and Honors/AP Appeal Forms are posted on the [RHS Counseling Department Homepage](#).
