Dear Students, Parents, and Guardians,

This is a friendly reminder that the Curriculum Area Supervisors have developed a document to provide you with guidance on SAT Subject Tests. [This chart](#) provides information on when students might be prepared for a given Subject Test, and what additional information they may need before they are likely to find success on the exam.

Information regarding which colleges utilize SAT Subject Tests for admission and placement can be found on the [College Board site](#).

We hope this will be helpful in regards to both short and long-range planning for post-secondary endeavors.

Sincerely,

Jillian Shadis
Director of School Counseling
