III. Call to Order – 12:30 p.m. – Board of Education Conference Room

The meeting was called to order at 12:30p.m. by Vice President Gray.

IV. Statement of Public Notice

This is a regular Meeting of the Board of Education of Bernards Township. Notice of the time and place of this meeting was provided and copies of that resolution were forwarded to the official newspapers as designated by the Board of Education and to the Township Clerk and a copy of the notice was posted on the bulletin board of the Board of Education Offices in accordance with P.L. 1975 Chapter 231A.

We very much welcome input from the public. There is one time during this meeting that the public is invited to speak. When you approach the microphone, please state your name and address. In order to run efficient meetings and to allow maximum opportunity for members of the public to speak, the Board reserves the right to set a time limit for individual comments and/or public comment portions of the agenda. Please understand that public comment portions of our agendas are not structured as question and answer sessions, but rather they are offered as opportunities to share your thoughts with the Board. Any Board responses to public comment will be addressed during Board Forum, or during committee reports.

There are times when a member of the public makes a comment or asks a question about an employee. New Jersey statute does not permit us to discuss personnel issues in public. Also as a matter of law, a Board of Education may only vote for or against the hiring of an employee upon the recommendation of

the superintendent. If the superintendent does not recommend a person, that person's name is not listed on the agenda and there is no vote on that action.

If it is necessary for the Board to go into executive session at the end of the meeting, we will provide an estimated length of time for the session and whether any action is anticipated to be taken upon returning to public session.

V. Board Retreat – Board of Education Training

Board of Education Governance

Gwen Thorton from the NJ School Boards Association reviewed the requirements of the Board of Education to evaluate the Superintendent and she explained the new Superintendent evaluation process that the Board of Education members would be using through the NJSBA website.

VI. Public Comment on Agenda Items

VII. Adjournment

On motion by Ms. Korn and seconded by Ms. Wooldridge and approved by all present, the meeting was adjourned at 2:30p.m.

Respectfully submitted,

Rod McLaughlin
Board Secretary
