WHERE TO GET TESTED FOR COVID- 19: SOMERSET COUNTY

Testing sites have various operating hours and requirements. Most require an appointment in advance. Some require proof of residency in New Jersey or a specific county or municipality. Please verify hours and requirements with a test site before visiting. Please call your primary healthcare provider first. This information is gathered from covid19.nj.gov and is updated weekly and subject to change.

COVID-19 Test (At Home Kit)

The FDA has approved a few at home COVID-19 diagnostic collection kits. After completing an online screening, if testing is necessary, you will be able to place an order for a home test kit. The kit enables you to collect a nasal swab at home and send it to a certified lab for processing. You will receive secure digital results within a few days.
