# 2016 SPRING SOFTBALL

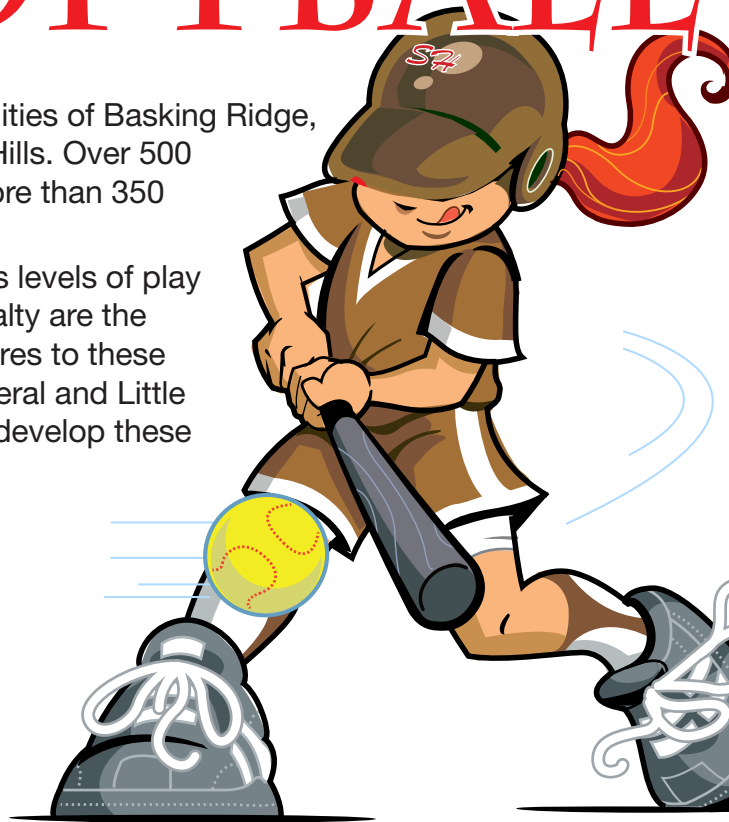

Somerset Hills Little League is comprised of the communities of Basking Ridge, Bernardsville, Peapack, Gladstone, Bedminster and Far Hills. Over 500 children participate in the SHLL program representing more than 350 Somerset Hills families.

The League offers Softball programs structured to various levels of play for girls ages 6 through 14. Courage, Character and Loyalty are the cornerstones of Little League Softball. Our program adheres to these standards and believes participation in team sport in general and Little League in particular provides children the opportunity to develop these valuable competencies.
