December 18, 2015

Dear Parent or Guardian,

I am writing to make you aware of the many learning opportunities we have in store for parents as we enter into 2016.

To start off the new year, we will be presenting information regarding the PARCC Assessments during the Board of Education meeting on January 4th. This will include information on interpreting your child's score reports, the overall district results and the preliminary schedule for this year's test administration.

Later that same week, we will also be hosting Academic Planning Night for 8th grade students and their parents, 7:00 PM, at the Ridge High School PAC. This is a great night to learn about the freshman academic programs at Ridge High School including the new Ridge STEAM Academy.

Also in 2016, the following Curriculum Forums will be hosted by various schools throughout the district, though all parents are welcome and encouraged to attend!

- January 21st – 9:00 AM Liberty Corner – Parent Google Academy
- January 26th – 9:15 AM William Annin – Transitioning to Ridge High School
- January 27th – 7:00 PM Ridge High School – World Languages in Bernards Township
- February 10th – 9:00 AM Mount Prospect – Elementary Gifted and Talented

There will be additional curriculum forums in the spring, so keep an eye out for information in the Friday Folder and the Curriculum Department Newsletters!

Sincerely,

Brian Heineman
