

OUR PHILOSOPHY

We believe that a music education should cultivate the whole child, gradually building many kinds of literacy while developing intuition, reasoning, imagination and dexterity into forms of expression and communication. A musical education is for all students, regardless of background, talent or differing abilities.

Strictly Strings is a private camp under the instruction of Jennifer Curran and Kathy Kowalewski. While this program may be consistent with the mission of the Bernards Township Board of Education, it is not a Board of Education endorsed or sponsored program. The program is a private enterprise, entirely separate from the Bernards Township Board of Education.
