

2016 Spring Buddy Ball Division (Formerly Basking Ridge LL Challenger Division)

Where Everyone is a Star!

Welcome to the 10th year of the Ridge Baseball Club Bambino Buddy Ball Division

The Buddy Ball Division is a program for special needs children who want to enjoy the full benefits of playing baseball in an athletic environment structured to their abilities.

The Buddy Ball Division was originally developed to provide boys and girls with special needs the opportunity to experience the emotional development and the fun of playing baseball. Today, more than 30,000 players participate nationwide in a Buddy Ball type of league. This program enables children the opportunity to participate in a structured athletic program regardless of their ability.
