

The Ridge Sports Foundation

Is happy to announce the

Grand Opening of the Ridge High School Fitness Center

*on Friday, October 9th, as Ridge Football takes on Westfield HS in its home opener. With the main entrance to the facility facing Lee Field, and featuring folding glass walls, we will be providing tours of the facility before and during the game. The Fitness Center also includes **lift** access from the upper level of the high school, **state of the art** Cybex equipment and testing capabilities, **and is** designed to accommodate the training needs of **all** students.*

See schematics and design layouts here:

http://media.wix.com/ugd/0eaecd_45d7caa4bcc4406cb1a16baf2e07a01a.pdf

*While the seed funding for the project was provided by generous donations from the community, we have a **total commitment goal** of \$250,000 to achieve over the next several years. So please help in any way you can. The RSF donation page can be accessed here: <http://www.ridgesportsfoundation.com/#!donate/c1qhi>*

*Please be sure to join us at the game for a tour, and take a chance to win **3** professional training sessions. Game time is 7 pm, but facility tours begin at 6 pm.*

Go Ridge!
