Summer Camp (Ages: 9-18)

Join us for a fun two days of field hockey and games. We are happy to have anyone from beginners to high school players gearing up for preseason. Our camp will cover fundamental techniques, including individual and advanced skill development. Individual skills will be the primary focus in the morning sessions, while afternoon sessions will comprise of morning session recaps, fun games, and scrimmages. The goals of the sessions are skill development, education of the game, and a fun experience for our campers.

Camp Highlights:

- Instruction from NJ Spartans FHC nationally respected and experienced coaches Marc Waldron and Kesley "Fuzzy" Stephenson
- Assistant coaching staff of elite former and current collegiate players
- Goalkeeper instruction
- 8:1 player to coach ratio
- Personal player evaluation
- Prizes awarded

We offer the option to come for the entire day or for the morning session.
