

Youth Summer Tennis Lessons

Youth Tennis Lessons for children. Check specific listings for age availability. Four different levels of play offered based on skill level.

Tennis Squirts: *Tennis Squirts is a fun-filled learning adventure that introduces children aged 3 to 5 to the world of tennis. Children will have great fun learning the fundamental skills and tennis strokes in a low pressured, fun environment. Following guidelines set out by the US Tennis Association (USTA), children will quickly develop their tennis skills, using the highly appraised '10 and Under Tennis' model.*

Foundation Tennis (Beginner): *Foundation Tennis classes follow developmental curriculums and guidelines laid out by the USTA, including their highly appraised 10 and Under tennis model. Regardless of age, participants will learn the basic fundamentals of stroke production, court movement and footwork skills in a low pressured, yet energetic environment. Most importantly it's all about fun, with games, games and more games throughout each session!*

Development Tennis (Intermediate): *Development Tennis program caters to intermediate players looking to take their game to the next level. Using curriculums and guidelines approved by the USTA, Development Tennis classes allow participants to work towards refining the fundamental skills of stroke production, rally consistency and court awareness, all essential aspects to successful match play.*

Advanced Tennis (Advanced): *Advanced Tennis curriculum caters to high intermediate/advanced players, that are already experienced within the sport. Participants will have the chance to develop advanced stroke techniques including top spin, drop shots and lobbing, through conditioned match play and structured activities.*
