

William Annin Middle School Athletic Organization

WAMS-AO

If your child will be a student at William Annin Middle School in the fall and they are athletic or interested in participating on a school team or learning a new sport in a clinic then read on....

WAMS-AO is a parent run, non-profit organization that provides athletic opportunities to the middle school students at WAMS in Bernards Twp. Our school teams compete in a league against other middle school teams in central New Jersey. This is a 3 day a week program, combining practices and games. Clinics are 2 days a week. Information on all the teams and signups can be found at www.wamsao.com. While most competitive teams hold tryouts for 7th and 8th graders only, incoming sixth grade students may participate in some programs including field hockey clinics (girls), volleyball clinics (girls and boys), the fall cross country team (coed), and the spring track and field team (coed).

Take a look at the info on our website. Each sport has individual pages describing the sport and the schedule. To register, create an account and then submit your registration and payment online as instructed. Many of our clinics and teams are first come, first serve and fill up within hours of opening! **Registration opens on July 1st at 12 noon for 2016 Fall Sports.**

After registering online, all students MUST submit a NJ State Athletic Preparticipation Physical Form. The form can be downloaded and printed from the website. Your examining physician needs to complete it so make sure to have that done, based on an exam from the past 365 days and submit to the WAMSAO mailbox in the school office. (Make sure the vision exam is done as well!) Please see info at www.wamsao.com under the FAQ's tab for answers to most questions.

Still have Questions? Email Athletic Coordinator Rita Zarabara at wamsao@bernardsboe.com

Important Dates:

<u>Team/Clinic</u>	<u>Registration Dates</u>	<u>Physical Form Due</u>
